1. Parties; Scope of this Agreement

- (1) Vantage Global Prime LLP (“Vantage”, “we”, “us”, “our”, “ours” and “ourselves”), is authorised and regulated by the Financial Conduct Authority of 25 The North Colonnade, Canary Wharf, London, E14 5HS (the “FCA”) for the conduct of investment business at 30 Moorgate, London EC2R 6DN, UK, Telephone:+44 20 7043 5050, Email: info@vantageprime.co.uk. Vantage is listed in the Financial Services Register under Firm Registration Number 590299.
- (2) This Agreement between Vantage and you in your capacity as a Client of ours (“your”, “yours” and “yourself”) includes all schedules, appendices, and accompanying documents, including, but not limited to, software agreements, our Account application form, Fees List, Order and Best Execution Policy, Conflicts Policy and Risk Disclosure Notice and will govern all transactions between us. Subject to the provisions of clause 2(12) in all cases, this Agreement shall come into force on the date we open an Account for you, which will be after you have signified acceptance of this Agreement, either electronically or in writing. It supersedes any previous Agreement between us.
- (3) Nothing in this Agreement will exclude or restrict any duty or liability owed by us to you under the Financial Services and Markets Act 2000 or the FCA Rules and if there is any conflict between this Agreement and the FCA Rules, the FCA Rules will prevail.
- (4) This Agreement governs the legal relationship between you and Vantage, as detailed in clause 2.
- (5) You are expressly deemed to have agreed to the terms in this Agreement by the earlier to occur of: your completion of the Account opening process which includes your acknowledgement of, and consent to, the terms of this Agreement, your acceptance of the terms of this Agreement or the placing of trades on the Platform on or after the date of this Agreement.

2. Your relationship with Vantage

- (1) This Agreement sets out the basis on which we will enter into Transactions with you and governs each Transaction entered into between you and us after this Agreement comes into effect. Spread betting, CFD and foreign exchange trading carries a high level of risk and can result in losses that exceed your initial deposit and is not suitable for everyone. A full explanation of the risks associated with CFD, spread betting and foreign exchange trading can be found in our Risk Disclosure Notice. You should ensure you fully understand the risks before opening an Account and entering into this Agreement with us. If you are in any doubt about the suitability, you should consult the advice of an independent financial advisor to discuss your personal circumstances.
- (2) We will act as principal and not as agent on your behalf. We shall treat you as a Retail Client subject to the following:
- (a) if you satisfy the definition of Professional Client or Eligible Counterparty, we may notify you that we will treat you as such;
 - (b) you may request a different client categorisation from the one we have allocated to you but please be aware that we may decline such a request. If you do request a different categorisation and we agree to such a request, you may lose the protection afforded by certain FCA Rules; and
 - (c) If we elect to treat you, or you request to be treated, as an Eligible Counterparty, the terms of this Agreement will be supplemented and modified by additional terms Vantage subsequently provides to you which you are not obliged to accept but shall be deemed to have accepted and to be bound by, if you continue the legal relationship and Vantage and/or commence trading on the Platform.

- (3) You will act as principal and not as agent on behalf of someone else. If you act as agent, we will not accept your principal as a client (as defined in the FCA rules) unless otherwise agreed in writing. You may appoint an Authorised Representative to take action on your behalf, subject to this Agreement.
- (4) We deal on an execution only basis and shall not advise you in connection with any aspect of the placing of orders or execution of trades. You agree that, unless otherwise provided in this Agreement, we are under no obligation:
- (a) to satisfy ourselves as to the suitability of any Transaction for you;
 - (b) to monitor or advise you on the status of any Transaction;
 - (c) to make Margin Calls in all circumstances; or
 - (d) except where the Applicable Laws require, to close any Transaction that you have opened, notwithstanding that previously we may have given such advice or taken such action in relation to that Transaction or any other. What about when they exceed their financial limits?
- (5) You will not be entitled to ask us to provide you with investment advice relating to a Transaction or to make any statement of opinion to encourage you to open a particular Transaction. We may, at our absolute discretion, provide generic, non-personalised information:
- (a) in relation to any Transaction about which you or your agent have enquired, particularly regarding procedures and risks attaching to that Transaction and ways of minimising risk; and
 - (b) by way of factual market information however, we will be under no obligation to disclose such information to you and in the event of us supplying such information it will not constitute investment advice. If, notwithstanding the fact that dealings between you and us are on an execution only basis, a dealer employed by us nevertheless makes a statement of opinion (whether in response to your request or otherwise) regarding any Instrument, you agree that it is not reasonable for you to, nor will you be entitled to, rely on such statement and that it will not constitute investment advice.
- (6) You agree that you rely on your own judgement in opening, closing, or refraining from opening or closing a Transaction with us we will not, in the absence of fraud, wilful default or negligence be liable for any losses (including, without limitation, indirect or consequential losses or loss of opportunity or profits arising from any failure by you to make any anticipated profits), costs, expenses or damages suffered by you arising from any inaccuracy or mistake in any information or unsuitability of any information, given to you, including without limitation, information relating to any of your Transactions with us. You acknowledge and agree that if, in any given circumstance, we do not positively recommend that you take any action in relation to any Transaction, that does not imply that we are advising you not to take such action (or any action at all) in relation to that Transaction. Subject to our right to void or close any Transaction in the specific circumstances set out in this Agreement, any Transaction opened by you following such inaccuracy or mistake will nonetheless remain valid and binding in all respects on both you and us.
- (7) You acknowledge that information contained in the Contract Details is indicative only and may, at the time when you open or close a Transaction, have become inaccurate. The current Contract Details will be the version then displayed on the Platform, which are updated with reasonable frequency.
- (8) Before you begin to trade with us, we will take all reasonable steps to provide you with a clear explanation of all commission, Spreads, fees, funding and other charges for which you will be liable. These charges will affect your net trading profits (if any) or increase your losses.
- (9) Whether or not you and we have entered this Agreement by distance means, you are not entitled to cancel this Agreement (but you can terminate it as set out in clause 18(2)).
- (10) We will take all reasonable steps to provide you with best execution in accordance with the FCA Rules and our Order and Best Execution Policy when we execute Transactions on your behalf. The arrangements we put in place to give you best execution will be detailed in our Order and Best Execution Policy. Our Order and Best Execution Policy is provided on our Site, or by post on request. Unless you notify us to the contrary, you

will be deemed to consent to our Order and Best Execution Policy when this Agreement comes into effect. If you do not consent, we reserve the right to refuse to provide our Services to you.

- (11) We offer different types of accounts with different characteristics and features (for example different margining procedures, different Margin rates, different trading limits and different risk protection features). Depending on your knowledge and experience and the type of Transactions you generally place with us, some of these account types may not be available to you. We reserve the right to convert your account into a different account type if, acting reasonably, we determine that a different type of account is more appropriate for you. We also reserve the right to change the features and eligibility criteria of our accounts at any time and we will provide prior notification of such changes on our Site, by email or on our Electronic Trading System.
- (12) If we discover that you have opened an account but failed at any time to supply accurate information upon which we base our assessment of you or your suitability to transact investment business through us, or have failed to maintain the account in an acceptable manner, we are not required to treat you as a Client and this Agreement shall be null and void from the point at which the relevant event initially occurred, i.e., the original misrepresentation in your account application (for the avoidance of doubt, not from the time on which we discovered the event in question), if:
- (a) we determine you have provided any inaccurate information in your client application form to us or have failed to update us regarding any change in the data you have provided to us with respect to your knowledge and experience relating to trading or other information relating to your identity, financial position or other information relevant to our determination of client classification and/or the appropriateness and suitability of any of the services which we provide to you;
 - (b) on the date being 30 calendar after you apply for an account, we have not received funds from you to fund your trading account;
 - (c) you withdraw all funds from your trading account or leave less than £30 (or other currency equivalent) for more than 15 calendar days (without expressly requesting to us in writing that you wish to keep your trading account open and we have consented to this in writing by replying to you within 5 London Business Days); and/or
 - (d) we determine at any point that the personal information provided to us to undertake our client onboarding obligations is insufficient. We will notify you to immediately remediate this situation by providing and/or correcting any information but we are entitled to disable trading or not to fund your account until such information has been received by us to our satisfaction.

Prior to you having funded your trading account, we will not treat you as a Client save for obligations relating to data protection.

3. Acknowledgment of Risks

You expressly confirm that you have read, understood and accept the risks set out in the Risks Disclosure Notice.

4. Commissions & Charges

- (a) In consideration of the provision of the Services, you consent to Commissions being deducted from your Account by Vantage for such Services.
- (b) Any other bank or other applicable charges which shall be summarised on the Site from time to time, including funds transfer fees and interest due on any negative balances will be for your Account and must be settled prior to any withdrawal of funds being processed for you.
- (c) Interest due on any negative balance will be charged at a rate not exceeding 4% of our applicable cost of funding from to time.
- (d) If we cease to treat you as a Client and/or we otherwise exercise our rights under this Agreement to terminate this Client Agreement with you and your account balance is less than the cost of any applicable

bank charges to remit such funds to you (and with respect to GBP accounts, such minimum amount is £0.50), your account shall be closed and an account termination fee deducted from the remaining balance.

5. Conflicts of Interest

5.1 Vantage maintains a conflicts of interest policy to guard against potential conflicts of interest adversely affecting the interests of clients. Vantage shall take all reasonable steps to identify and manage any such conflicts of interest which may affect you. See Conflicts Policy for more details.

5.2 Subject to any Applicable Law, we may receive, or make payments to, third parties (and not be liable to account to you) benefits, commissions or remunerations which are paid or received as a result of Transactions carried out by you. Please contact us if you require additional information.

- (e) immediately to pay the necessary amounts to clear any Shortfall on your Account on the earlier of: (a) you becoming aware; and (b) Vantage notifying you;
- (f) regularly check your Account Statements and promptly inform Vantage of any errors in the statements, as failure to notify Vantage of any error within 48 hours of the execution of a transaction shall constitute an acceptance by you of the description of the transaction(s) as set out in the Account Statements and you shall be bound by such description;
- (g) to agree that any net loss on any Negative Mark-to-Market Transaction may be deducted from your Account on a real-time basis, or when the Transaction is closed (as determined by Vantage);
- (h) to use any Site Data solely for the purposes set out in this Agreement and you acknowledge that such data or information is proprietary to Vantage and any such provider and you will not retransmit, redistribute, publish, disclose or display in whole or in part such data or information to third parties except as required by Applicable Laws; and to use such data or information solely in compliance with the Applicable Laws;
- (i) to comply with all and any directions and/or prohibitions from Vantage personnel as regards you trading account and trading strategy employed;
- (j) in connection with your Account and associated trading activity, comply with all Applicable Laws;

7. Vantage's Obligations

Vantage shall provide Services to you in accordance with this Agreement, including the obligation to provide best execution of your Transactions, prompt answering of your questions in connection with your Transactions, the Services and your Account; the return of client funds in accordance with your instructions to your Designated Bank Account and periodic reporting of your Transactions.

See "Limitation of Liability" in clause 23 for further details.

8. Client's Rights

You have the following rights:

- (a) Vantage shall provide the Services, including without limitation, the Platform to you in accordance with the terms of the Agreement;
- (b) to receive periodic reporting of your positions and balances, and if you are a Retail Client, to request the provision of a periodic statement every three months;
- (c) to have any complaints be treated expeditiously and in a fair, transparent manner and in accordance with the complaints handling procedures; and
- (d) to be dealt with in a respectful, fair and transparent manner.

9. Vantage's Rights

Vantage is committed to fair treatment of its clients at all times but in providing the Services to you is subject to market risk, counterparty and credit risk and the actions taken by its liquidity counterparty and/or the liquidity providers, from time to time.

As such, we are required to "pass on" to you, the effects of such decisions and/or actions taken, an example of such situation being the occurrence of extreme volatility of any Underlying Market or the financial distress or other operational issues of any underlying liquidity provider or the liquidity counterparty resulting in unexpected reductions in Leverage, increase in the level of Margin required and/or the widening of Spreads. Given this, Vantage notifies you of the possibility that such events may occur and Vantage will be required to amend and/or change your trading conditions as a result, in most cases, without notice.

Vantage is also entitled to protect its own interests, those of its counterparties and of the liquidity providers and may be required to exercise any of the following rights for that purpose. An example of this situation is if you trade with us to arbitrage any pricing latency, scalp stale, off-market prices or otherwise expose us to predatory trading patterns or what we consider, acting reasonably, or our counterparties notify us to be, "toxic flow", as is generally understood by usual and/or current market practice.

However, in so reserving these rights, Vantage is correspondingly able to provide you with the advantages of its liquidity and the favourable pricing which it enjoys from its liquidity arrangements.

In this context, Vantage is required to reserve the following rights. Without limiting the scope or prejudice to any other provisions in this Agreement, Vantage may, at any time (and where the context so permits, for as long as it considers necessary):

- (a) change, amend, cancel, modify, update, upgrade, replace any aspect of the Electronic Trading System, including without limitation, its layout, content and functionality or otherwise, the way Orders are placed, executed, filled, routed, matched, confirmed or settled, or the Services (in each case as the context requires);
- (b) issue a Margin Call to you above the Margin Limit, and terminate some or all of your Transaction positions if you fail to respond to a Margin Call and your Use of Leverage exceeds 200% (See Margin Cut in clause 13 for more information);
- (c) change the Margin Limit without notice on your Account or on some or all of the Accounts or a sub-set of Underlying Instruments;

- (d) terminate the Agreement without notice;
- (e) refuse to open Accounts or execute any Transaction or Order to protect the interests of Vantage and generally to comply with Vantage's regulatory obligations;
- (f) cancel or adjust any Transaction including, without limitation, due to the occurrence of a Manifest Error, a decision, direction or notification (either orally or in writing) by any of our liquidity providers or their banks to reverse, cancel or otherwise amend and/or adjust the hedging of any Transaction (due to its determination that relevant Transaction took advantage of any technological error, off-market pricing, latent pricing or was toxic ((e.g. all forms of news-trading), predatory transaction flow or otherwise), or if Vantage in good faith believes such action prudent to mitigate any potential loss in a situation where you are in dispute with Vantage or have otherwise filed a complaint;
- (g) at Vantage's discretion, close all and any Transactions upon receipt of a Withdrawal Request where there is insufficient available equity to be withdrawn, if applicable;
- (h) refuse any Transaction Instruction(s) where there is insufficient Equity in your Account;
- (i) to refuse to any instructions from a Limited Attorney if, for any reason determined in its sole discretion, Vantage is unable or otherwise no longer able to receive Instructions from such person;
- (j) to convert deposited funds into any other Account Currency or other currency (as necessary) to satisfy any obligations due to, or extinguish any resultant liabilities caused to, Vantage in connection with your Transactions, as may be required from time to time;
- (k) to combine or consolidate the balances in some or all of your sub-accounts (assuming you have more than one) at any time to set-off the liabilities owed to Vantage in certain sub-accounts (as the case may be) against any positive balances in other sub-accounts, as further explained in clause 16(6);
- (l) to charge the Commissions as disclosed on the Site from time to time and as may be updated from time to time without notice; and
- (m) notwithstanding any other provision of this Agreement, amend, cancel/ reverse, close out any Transaction or Order; revoke, suspend or otherwise restrict your permission to, or manner in which you trade or submit orders for some or all of your sub-accounts, particular Underlying Instruments or markets, due to any of the following reasons:
 - (i) a direction from our liquidity counterparty restricting our ability to execute and/or cancelling/ reversing some or any Transactions on your behalf or on behalf of our clients generally for whatever reason;
 - (ii) an IT or other breach of the Electronic Trading System or other Vantage systems occurs;
 - (iii) your breach of this Agreement, including the failure to comply with a request to repay a Shortfall to Vantage or your breach of any Applicable Laws, as the case may be;
 - (iv) absence of or insufficient liquidity in respect of any Underlying Instrument or the occurrence of any market conditions relating to particular Underlying Instruments or markets generally where Vantage considers it, at its sole discretion, necessary or appropriate to undertake such actions; and/or
 - (v) you breach or fail to follow any term of this Agreement or any oral or written communications between you and us or breach any oral or written undertaking(s), agreement(s) or acknowledgment(s) regarding the type of trading strategy we permit you to execute on any given feed we offer you from time to time.

10. Rules relating to Orders; Quoted Prices & Transactions generally

Please note that for the most part, this section 10 does not relate to Transactions and Orders placed on the MT4 trading platform.

(a) When you place an Order, you are deemed to understand how they work and you shall be bound by:

- (i) the terms set out in this clause;
- (ii) any description of the relevant Order from the Site from time to time; and
- (iii) the consequences of having placed any such Order.

(b) The following Orders may be placed but additional functionality may be added from time to time. Please refer to the webpages “Platform Capabilities” and/or “Placing Orders” from time to time for more information on “If Done”, “Merge” and “Place Bid/Ask” functionality:

Market/ Instant Execution Orders: When you place this Order on the Platform, you will execute a Transaction at the first available price given by the Electronic Trading System for which there is sufficient liquidity/ market depth (which indicates volumes available for each price level) relative to the size of your Order which will be the Bid Price if you are selling/taking a “short position” or Ask Price if you are buying/ taking a long position with respect to an Underlying Instrument. As such, you will not necessarily be filled for some or all of your Order at the price seen at the moment you execute the Order on the Platform (the “**Spot Price**”). When a trade is placed at the market and the order amount is greater than the volume of the price offered on the Platform, the execution of the remaining amount is split according to the next levels of the market depth. For Market Orders, a maximum slippage value can be set on the Platform (although please note that this is not possible with the MT4 platform). If the Market Price slips more than the specified level, the Market Order will be automatically rejected without further re-submission.

Limit Orders (other than the MT4 platform): These include Buy Limits and Sell Limits, both pending orders. In each case, the Order may only be filled if the respective Market Price is equal to or better than the Limit Order level, provided sufficient liquidity exists for such Order. The Order will only be filled at the level you specify or better, noting that a Buy Limit order can only be executed at the limit price or lower and triggered by ask side and a Sell Limit order can only be executed at the limit price or higher and triggered by bid side. If the Market Price moves through your Order but the Order is not filled, the Order will remain in place until the Order Completion Conditions are met. **Limit Orders conveyed via the Metatrader 4 platform are sent as market orders and a risk of slippage exists as a result.**

Stop Orders: A Stop Order is a pending order to buy or sell a currency once the price of the currency pair reaches a specified price, known as the stop price, and include Buy Stops and Sell Stops. When the stop price is reached, the Stop Order becomes a Market Order. A Buy Stop order is always placed above the current market price, while a Sell Stop order is placed below. Stop Orders can be triggered either by ask or Bid Price, thus giving traders more flexibility in execution control. If any slippage value is set by the trader on the Platform (other than the MT4 platform), the stop order becomes a stop limit order. That is, if the Stop Order will fail to execute within the specified slippage range, the order will be automatically transformed into a Limit Order.

“OCO” or “One cancels the other” Orders: You may place two Orders simultaneously and the first such Order to be filled will automatically cancel the other Order and any Related Orders associated with it.

“Market If Touched Orders (MIT)”: MIT is a limit order with a specified slippage tolerance value. In comparison to limit orders, the MIT order may have a higher probability of execution within the slippage range.

“GTC” or Good til Cancelled Orders: GTC Orders may be Stop Orders or Limit Orders will remain until: (A) they are filled as specified above; or (B) cancelled by you. These orders will not expire, and include any overnight trading sessions on the Underlying Markets.

Specified Expiration Orders (“SE Orders”): SE Orders expire at the time and date you specify when you create the SE Order on the Electronic Trading System.

Related Orders (“If Done Orders”): Related Orders are those created at any point, be it at initial Transaction execution of Order or market order execution stage or subsequently when modifying any Orders or open

Transactions, in connection with any Underlying Instrument. If a Transaction terminates, either because you close it manually or the Market Price hits your Stop Order or Limit Order, and there are Related Orders associated with it, any such Related Order(s) will be automatically terminated at that point.

- (c) You acknowledge the following general rules apply to all Orders:
- (i) it is your responsibility to understand how an Order operates before you place any such Order with us and that you will not place an Order unless you fully understand the risks associated as well as the terms and conditions attached to such Order;
 - (ii) whether or not we accept an Order is at our absolute discretion. Not all Orders are available on all Transactions, nor on all Electronic Trading System;
 - (iii) when you place and we accept an Order we treat you as principal and equally you are trading with us in a principal capacity and not dealing on the Underlying Market;
 - (iv) the triggering of your Order is linked to our Bid Prices and Ask Prices, not the bid and ask prices on the Underlying Market. Our Bid Prices and Ask Prices may differ from the bid and ask prices in the Underlying Market. The effect of such is that your Order may be triggered even though our bid, or ask as the case may be, moved to or through the level of your Order for only a short period; and (ii) the Underlying Market never traded at the level of your Order;
 - (v) for the purposes of determining whether an Order has been triggered, we will be entitled (but not obliged), at our discretion, to disregard any prices quoted by us during any pre-market, post-market or intra-day auction periods in the relevant Underlying Market, during any intra-day or other period of suspension in the relevant Underlying Market, or during any other period that in our reasonable opinion may give rise to short-term price spikes or other distortions;
 - (vi) following your Order being triggered, we do not guarantee that a Transaction will be opened or closed, nor do we guarantee that if opened or closed, that it will be done so at your specified stop level or limit;
 - (vii) there can be, and Vantage provides, no guarantee that any Order will be filled at any time as there are many factors which may preclude the Order being filled;
 - (viii) Orders will remain in place until the earlier to occur of: (A) they are filled; (B) they are cancelled by you or the Electronic Trading System; or (C) they expire (together, the **“Order Completion Conditions”**);
 - (ix) all Orders are subject available liquidity of the Underlying Instrument;
 - (x) there is no guarantee that the price at which your Order is filled will be the same or better than any other broker or dealing platform at any time and that your Order will be filled at the requested level, if at all;
 - (xi) no Order will be filled if at the relevant time, you have insufficient Equity in your Account; and your Use of Leverage equals or exceeds the Margin Limit; and
 - (xii) you are required to check and confirm the status of your Orders regularly, especially if you have Related Orders set and/ or you employ trading strategies that use Orders frequently.
- (d) You acknowledge the following general rules apply to all Market Prices and quotations from Vantage:
- (i) You acknowledge that Spreads can widen significantly in some circumstances, that they may not be the same size as the examples given in the Contract Details and that there is no limit on how large they may be. You acknowledge that when you close a Transaction, the Spread may be larger or smaller than the Spread when the Transaction was opened. For Transactions transacted when the Underlying Market is closed or in respect of which there is no Underlying Market, the figures that we quote will reflect what we believe the market price in an

Instrument is at that time. You acknowledge that such figures will be set by us at our reasonable discretion. The Spread quoted by us will reflect our view of prevailing market conditions.

- (ii) You may request a quote to open a Transaction or to close all or any part of a Transaction at any time during our normal hours of trading for the Instrument in respect of which you wish to open or close the Transaction. Outside those hours, we will be under no obligation to, but may, at our absolute discretion, provide a quote and accept and act on your offer to open or close a Transaction. We may notify you of certain Instruments in respect of which we will not quote, restrictions on the amount for which we will quote, or other conditions that may apply to our quote, but any such notification will not be binding on us.
- (iii) If we choose to provide a quote, we may provide a quote electronically via our Electronic Trading System or by such other means as we may from time to time notify to you. Our quoting of a bid and ask price for each Instrument (whether by Electronic Trading Service, or otherwise) does not constitute an offer to open or close a Transaction at those levels. A Transaction will be initiated by you offering to open or close a Transaction in respect of a specified Instrument at the level quoted by us. We may, acting reasonably, accept or reject your offer at any time until the Transaction has been executed or we have acknowledged that your offer has been withdrawn. A Transaction will be opened or, as the case may be, closed only when your offer has been received and accepted by us. Our acceptance of an offer to open or close a Transaction, and thus the execution of the Transaction, will be evidenced by our confirmation of its terms to you.
- (iv) If we become aware that any of the factors set out in clause 10(v) are not satisfied at the time you offer to open or close a Transaction, we reserve the right to reject your offer at the level quoted. If we have, nevertheless, already opened or closed a Transaction prior to becoming aware that a factor set out in clause 10(v) has not been met we may, at our discretion, either treat such a Transaction as void from the outset or close it at our then prevailing price. However, we may allow you to open or, as the case may be, close the Transaction in which case you will be bound by the opening or closure of such Transaction, notwithstanding that the factors in clause 10(v) were not satisfied.
- (v) The factors referred to in clause 10(iv) include, but are not limited to, the following:
 - (a) the quote must be obtained from us as set out in clause 10(iii);
 - (b) the quote must not be expressed as being given on an “indicative only” or similar basis;
 - (c) if you obtain the quote electronically via our Electronic Trading System, your offer to open or close the Transaction, and our acceptance of your offer, must be given while the quote is still valid;
 - (d) the quote must not be Manifestly Erroneous;
 - (e) when you offer to open a Transaction, the number of contracts or other units in respect of which the Transaction is to be opened must be neither smaller than the Minimum Size nor larger than the Normal Market Size;
 - (f) when you offer to close part, but not all, of an open Transaction both the part of the Transaction that you offer to close and the part that would remain open if we accepted your offer must not be smaller than the Minimum Size;
 - (g) with respect to the Instrument, a Force Majeure Event must not have occurred;
 - (h) when you offer to open a Transaction, an Event of Default must not have occurred in respect of you, nor must you have acted in such a way as to trigger an Event of Default; and

- (i) the Electronic conversation in which you offer to open or close the Transaction must not be terminated before we have received and accepted your offer.
- (vi) We reserve the right to refuse any offer to open or close a Transaction larger than the Normal Market Size. Our quotation for a Transaction equal to or greater than Normal Market Size is not guaranteed to be within any specific percentage of any Underlying Market or related market quotation and our acceptance of your offer may be subject to special conditions and requirements that we will advise to you at the time we accept your offer. We will inform you of the Normal Market Size for a particular Instrument on request.
- (vii) Where an Instrument trades on multiple Underlying Markets, one of which is the primary Underlying Market, you agree that we may but are not required to base our bid and ask prices on the aggregate bid/ask prices in the Underlying Markets.

We may provide certain parts of the Electronic Trading System under license from third parties, and you will comply with any additional restrictions on your usage that we may communicate to you from time to time, or that are otherwise the subject of an agreement between you and such licensors.
- (ii) We are providing the Electronic Trading System to you only for your personal use and only for the purposes, and subject to the Terms, of this Agreement. You may not sell, lease, or provide, directly or indirectly, the Electronic Trading System or any portion of the Electronic Trading

System to any third party except as permitted by this Agreement. You acknowledge that all proprietary rights in the Electronic Trading System are owned by us or by any applicable third party service providers selected by us providing us with all or part of the Electronic Trading System, or providing you with access to the Electronic Trading System, or their respective licensors, and are protected under copyright, trademark and other intellectual property laws and other applicable law.

- (iii) You receive no copyright, intellectual property rights or other rights in or to the Electronic Trading System, except those specifically set out in this Agreement.

- (iv) We and our licensors (as the case may be) will retain the intellectual property rights in all elements of the software and such software and databases contained within the Electronic Trading System and you will not in any circumstances, obtain title or interest in such elements other than as set out in this Agreement.

12. Manifest Errors

- (1) We reserve the right to, without your consent, either void from the outset or amend the terms of any Transaction containing or based on any error that we reasonably believe to be obvious or palpable (a "**Manifest Error**" or "**Manifestly Erroneous Transaction**"). **VOIDABLE TRANSACTIONS INCLUDE, WITHOUT LIMITATION, ANY TRANSACTIONS EXECUTED ON AROUND A MARKET NEWS RELEASE BASED ON LATENT PRICING OR OTHER TECHNOLOGY FAULTS FROM THE RELEVANT BANKS, ECN VENUES OR OTHER LIQUIDITY PROVIDERS AND THEIR DATA PROVISION PROVIDERS.** If, in our discretion, we choose to amend the terms of any such Manifestly Erroneous Transaction, the amended level will be such level as we reasonably believe would have been fair at the time the Transaction was entered into. In deciding whether an error is a Manifest Error we shall act reasonably and we may take into account any relevant information including, without limitation, the state of the Underlying Market at the time of the error or any error in, or lack of clarity of, any information source or pronouncement upon which we base our quoted prices. Any financial commitment that you have entered into or refrained from entering into in reliance on a Transaction with us will not be taken into account in deciding whether or not there has been a Manifest Error.
- (2) In the absence of our fraud, wilful default or negligence, we will not be liable to you for any loss, cost, claim, demand or expense following a Manifest Error (including where the Manifest Error is made by any information source, commentator or official on whom we reasonably rely).
- (3) If a Manifest Error has occurred and we choose to exercise any of our rights under clause 12(1), and if you have received any monies from us in connection with the Manifest Error, you agree that those monies are due and payable to us and you agree to return an equal sum to us without delay.

13. Margin Requirements

- (1) Upon opening a Transaction, you will be required to pay us the Margin for that Transaction, as calculated by us (“**Initial Margin**”). Please note that the Initial Margin for certain Transactions (for example, metal CFDs), will be based on a percentage of the Contract Value of the Transaction and therefore the Initial Margin due for such Transactions will fluctuate in accordance with the Contract Value. Initial Margin is due and payable to us immediately upon opening the Transaction (and for Transactions that have a fluctuating Initial Margin based on a percentage of the Contract Value, immediately on opening the Transaction and thereafter immediately on any increase in Contract Value taking place). We compute your Margin at Transaction inception and the amount of Free Margin and Used Margin is updated in real time on the Platform.
- (2) Minimum Margin levels are set to (a) protect you from the risk of loss in excess of your Equity; and (b) our associated liquidity position as follows:
 - i. with respect to an individual self-trade Account, a minimum level of Equity shall be set out on the Site, if required, from time to time; and
 - ii. with respect to Accounts in an Account Currency other than the Account Base Currency, the minimum Equity shall be calculated at the Exchange Rate as of the Latest Settlement.
- (3) All open Transaction positions may be closed and your Account blocked if the Equity falls below the Minimum Margin Requirement.
- (4) We may make a Margin Call to you if your Use of Leverage exceeds the Margin Limit. If this occurs, you may not place additional Transactions or Orders which increase your Use of Leverage. You may only execute Transactions or place Orders to reduce your Exposure, by closing or hedging the existing net Transaction positions. Despite the Margin Limit being reached, your Transaction positions will not be closed automatically. The Electronic Trading System then cancels all placed bid/ask Orders which could increase the Exposure.
- (5) Other than in respect of the MT4 trading platform, if the Use of Leverage reaches or exceeds 200%, Vantage has the right (but not the obligation) to fully or partially reduce your Exposure by closing existing Transactions and/or by opening new positions in the opposite direction. In the normal course, the Electronic Trading System automatically reduces exposure so that the Use of Leverage is brought down to approximately 100%. However, you can select to fully close all open Transaction positions in case of the occurrence of a Margin Cut. If you make this selection, you must communicate to us and have our acknowledgment in writing before you are entitled to rely on this selection having been made. In respect of any MT4 platform we provide you, your margin call and automated stop-out levels will be referenced in your trading account opening emails from us.
- (6) Details of Margin amounts required by you are available by logging on to our Electronic Trading System. You acknowledge: (a) that it is your responsibility to be aware of, and further that you agree to pay, the Margin required at all times for all Transactions that you open with us; (b) that your obligation to pay Margin will exist whether or not we contact you regarding an outstanding Margin obligation; and (c) that your failure to pay any Margin required in relation to your Transactions should be expected to result in a Margin Cut occurring automatically.
- (7) Margin payments must be made in the form of cleared funds (in our bank account) unless, by separate written agreement, we accept other assets from you as collateral for payment of Margin. If any applicable debit card authority or other paying agent declines to transfer funds to us for any reason whatsoever then we may, at our absolute discretion, treat any Transaction entered into by us in reliance on receipt of those funds as void from the outset or close it at our then prevailing price, and recover any losses arising from the avoidance or closure of the Transaction from you. We may reserve the right to stipulate the method of payment to be used by you for the payment of Margin.
- (8) In making any calculation of the Margin payments that we require from you under this clause 13, we may, at our absolute discretion, have regard to your overall position with us and/or an Affiliate, including any of your net unrealised losses (i.e. losses on open positions). We will also have regard to the rules of any Underlying Market that requires payments of Margin to be made in respect of any Transaction or any Instrument underlying any Transaction.

- (9) You are responsible for monitoring your Margin requirements from time to time and we are not obliged to send you a Margin Call. However, where we do notify you of a Margin Call, this may be done by any means we deem reasonably acceptable, including, by telephone call, post, fax, email or a text message/ SMS. The Margin Call will be deemed to have been made as soon as you are deemed to have received such notice in accordance with this clause 13(9).
- (10) We will be entitled, at any time, to increase or decrease the Margin required from you on open Transactions. You agree that, regardless of the normal way in which you and we communicate, we will be entitled to notify you of a change to Margin levels by any of the following means: telephone, post, fax, email, text message or by posting notice of the increase on our Site. We will only increase Margin requirements where we reasonably consider it necessary, for example but without limitation, in response to or in anticipation of, any of the following:
- (a) a change in the volatility and/or liquidity in the Underlying Market or in the financial markets more generally;
 - (b) economic news;
 - (c) a company, the Instruments in respect of which, represent all or part of your Transaction becoming insolvent, being suspended from trading or undertaking a Corporate Event;
 - (d) you changing your dealing pattern with us and/or an Affiliate;
 - (e) your credit circumstances changing; and/or
 - (f) your exposure to us and/or an Affiliate; being concentrated in a particular Underlying Market or sector of any Underlying Market.
- (11) If your Margin is insufficient to open the Transaction(s) requested by you, you will be partially filled up to a level permitted by your available Margin on a first-in-time executed basis.

14. Client Representations and Warranties

You represent and warrant on the date of this Agreement and whenever you execute Transactions or Orders or otherwise use the Services to Vantage (as applicable) that:

- (a) you have full legal capacity to execute this Agreement and that such execution is not *ultra vires* of any applicable memorandum or articles of association, trust deed, partnership agreement, power of attorney or any other document or agreement under which you are empowered to act, where applicable;
- (b) this Agreement constitutes a valid, binding and enforceable contract between you and Vantage;
- (c) no third party, governmental (including, without limitation, tax law and regulations, exchange control requirements) or other regulatory consents, licences or notifications of any kind are required for you to establish and Account and/or execute Transactions, which have not been satisfied, where applicable;
- (d) you have read and understood and all applicable Account Opening forms and information, including the Risks Disclosure Notice and you accept their respect terms;
- (e) the information provided in the Account Opening forms is accurate and not misleading in any material respect;
- (f) you have sufficient knowledge and/or experience relating to trading of spread betting, CFDs and/or foreign exchange instruments for the level of trading activity and risk that you intend to undertake in your Account;
- (g) subject to your level of sophistication and trading experience, you will use the demo site to familiarise yourself with the functionality of the Platform before trading your live Account;
- (h) when executing Transactions, you are not in possession of material non-public information in connection with any Underlying Instrument for which you intend to execute a Transaction or place an Order or any other Underlying Instrument which may be correlated to one or more of the Underlying Instruments for which you intend to execute a Transaction or place an Order;

- (i) you have not relied on any express or implied representation, warranty or other assurance made by Vantage or its employees or any third party before you sign this Agreement;
- (j) you are not a U.S. Person or Canadian resident and neither are any of your obligations to us under this Agreement the subject of a guarantee provided by a U.S. Person;
- (k) you will not, orally or in writing, incorrectly describe, acknowledge, conceal or confirm your trading strategy to us or otherwise place trades falling within the introductory paragraph of Clause 9; and
- (l) your Transactions and/or Orders comply with all Applicable Laws.

15. Client Money

- (1) All Retail Client funds which you transfer to Vantage in connection with your Account will be treated as client money for the purposes of the CASS Rules. As such, the funds will be placed into either:
 - (a) a CRD credit institution or a bank authorised in a third country (i.e. non EEA country);
 - (b) an approved Client Transaction Account for which a client transaction account acknowledgement letter has been received. In such circumstances, the local legal and regulatory regime may result in a lower level of protection for you in the event of the insolvency or equivalent event of the entity with whom your money is held, than you would receive in the UK; or
 - (c) a qualifying money market fund (where the FCA permits this).

If you do not wish your money to be held in the manner set out in 15 (1), please notify us in writing of this.

- (2) To the extent permitted by Applicable Law, if there has been no action by you in respect of movement on your Account for a period of at least six years and we have been unable to contact you, we may cease to treat any money held on your behalf as client money and, accordingly, release it from our client bank accounts. Such money will, however, remain owing to you and we will make and retain records of all balances released from client bank accounts and will undertake to make good any valid claims against any released balances.
- (3) To the extent permitted by Applicable Law, if we have received no instructions from you for a period of at least six years and have been unable to contact you we may sell or otherwise dispose of your custody assets, if any. Any consideration received shall not be treated as client money but such money will, however, remain owing to you and we will make and retain records of all such amounts and will undertake to make good any valid claims against any disposed assets.
- (4) You shall not be entitled to any interest in respect of any deposited funds.
- (5) When we receive client money deposits, it will be held in pooled accounts together with the client money of our other clients. If the third party with whom we have deposited your client money fails, any shortfall in client money will be borne by all clients *pro rata*. In such case, you may receive an amount less than the individual sum owing to you. We will not be responsible for any shortfall in this scenario unless we have been negligent or breached our duty in depositing your client money. If your funds are held outside the EEA, different legal regimes shall apply with respect to the insolvency or resolution of the deposit-taking institution for your funds compared with those in the UK or EEA.

16. Deposits, Withdrawals & Payment Instructions

- (1) All payments to be made under this Agreement, other than payments of Margin which are due and payable in accordance with clause 13, are due immediately on our oral or written demand. Once demanded, such payments must be paid by you, and must be received in full by us for value on such day and remitted to us by the fastest possible funds transfer mechanism and you agree to meet such transfer costs.
- (2) You must comply with the following when making payments to us:

- (a) Payments due (including Margin payments if you wish to avoid automated Platform restrictions) will, unless otherwise agreed or specified by us, be required in currencies specified by us.
 - (b) You may make any payment due to us by any of the following methods:
 - (i) Debit or Credit Card (once available);
 - (ii) Direct Bank Transfer;
 - (iii) cheque (excluding situations where the fastest possible funds transfer mechanism is required by us); or
 - (iv) any other means set out on the Site available from time to time under the heading “Funding”,and, in each case, subject to the conditions in respect of each form of payment, including, without limitation, any Fees listed on the Site from time to time in respect of any transfers made.
 - (c) In determining whether to accept payments from you under this clause, we will have utmost regard to our duties under law regarding the prevention of fraud and money laundering. To this end, we may at our absolute discretion having regard to the law, reject payments from you or a third party and return funds to source. In particular, we will not accept payments from a bank account if it is not evident to us that the bank account is in your name.
- (3) You should be aware of the following when you open a Transaction or deposit money into your account in a Currency other than your Account Base Currency:
- (a) It is your responsibility to make yourself aware of the Currency that is designated as your Base Currency. Details of your Base Currency are available on our Electronic Trading Service.
 - (b) Some Transactions will result in profit/loss being accrued in a Currency other than your Base Currency. The Contract Details specify the Currencies in which various Transactions are denominated, or alternatively such information is available from our dealers on request.
 - (c) From time to time (for example in your Account Statements), we may provide information to you which presents your multicurrency balances in the equivalent value of your Base Currency, using the rates prevailing at the time the information is produced. However, you should note that the balances have not been physically converted and that the presentation of the information in your Base Currency is for information only.
 - (d) Where you maintain Transactions in an Account Currency other than your Account Base Currency you are exposing yourself to cross-currency risk. You acknowledge and agree that it is your responsibility to manage this risk and we are not liable for any losses that you suffer as a result.
 - (e) We reserve the right to change the way in which we manage and/or convert your non-Account Base Currency balances at any time in the future by providing you with 10 days’ prior notice.
 - (f) If you send funds to Vantage in a currency other than the Account Base Currency, Vantage must convert the funds into the appropriate Account Base Currency or other Account Currency as it deems appropriate, and the exchange rate we use to do this may result in a profit or loss for you relative to the currency in which the funds were sent.
- (4) You may only withdraw your funds by sending us a Withdrawal Request specifying the Account number (and if more than one sub-account, the relevant sub-account), the method, amount, contact details, specified currency and Designated Bank Account. Upon receipt of your request, your request shall be processed in the order received. Any errors, omissions or ambiguities on the form will delay its processing and we will notify you if a clarification is required which must then be provided in signed written form, or by re-submission of your Withdrawal Request, in each case and determined by us in our discretion. **YOU ACKNOWLEDGE THAT ANY ERRORS IN PROVIDING US ACCOUNT NUMBERS AND/OR ANY OTHER DETAILS RELATING TO YOUR ACCOUNT OR WITHDRAWAL REQUEST ARE LIKELY TO RESULT IN TRANSFERRING FUNDS TO AN INCORRECT THIRD PARTY ACCOUNT WHICH MAY RESULT IN A PERMANENT LOSS TO YOU OF THE FUNDS SO TRANSFERRED. VANTAGE HAS ABSOLUTELY NO LIABILITY, OBLIGATION OR ABILITY TO ENSURE THAT THE ACCOUNT DETAILS YOU PROVIDE ARE ACCURATE.**

- (5) **MONEY STANDING TO THE CREDIT OF YOUR ACCOUNT WILL BE REMITTED TO YOU IF REQUESTED BY YOU, PROVIDED YOU HAVE NO OPEN POSITIONS AT THE TIME OF REQUEST.** Where you do not make such a request, we will be under no obligation to, but may, at our absolute discretion, remit such monies to you. All bank charges howsoever arising will, unless otherwise agreed, be for your account. The manner in which we remit monies to you will be determined at our absolute discretion, taking into account your instructions in the Withdrawal Request but with having utmost regard to our duties under law regarding the prevention of fraud and money laundering. We will normally remit money in the same method and to the same place from which it was received. However, in exceptional circumstances we may, at our absolute discretion, consider a suitable alternative.
- (6) Without prejudice to our right to require payment from you in accordance with clauses 16(1) and (2), we will at any time have the right to set off any losses incurred in respect of, or any debit balances in, any Accounts (including a joint account and an account held with an Affiliate) in which you may have an interest against any sums or other assets held by us for or to your credit on any other account (including any joint account and any account held with an Affiliate) in which you may have an interest. If any loss or debit balance exceeds all amounts so held, you must forthwith pay such excess to us whether demanded or not. You also authorise us to set off sums held by us for or to your credit in a joint account against losses incurred by the joint account holder. You also authorise us to set off any losses incurred in respect of, or any debit balances in, any account held by you with an Affiliate against any credit on your account(s) (including a joint account) with us.
- (7) You will pay interest to us on any sums due in respect of any Transaction and any other general account fees that you fail to pay on the relevant due date. Interest will accrue on a daily basis from the due date until the date on which payment is received in full, at a rate not exceeding 4% above the relevant central bank base from time to time (details available on request) and will be payable on demand.
- (8) Our failure on one or more occasions to enforce or exercise our right to insist on timely payment (including our right to insist on immediate payment of Margin) will not amount to a waiver or bar to enforcement of that right.

- (a) cancel or reverse all or part of any of your Transactions and/or treat any Transactions as if they had not been executed. - (4) Vantage shall have no liability whatsoever for any Loss suffered by you:

24. Consequence of a Force Majeure Event

- (a) If a Force Majeure Event occurs, Vantage shall endeavour to notify you as soon as reasonably practicable that such an event has occurred (but the absence of any notice shall not preclude Vantage's reliance on this clause) and communicate with you concerning the steps taken to resolve the impact of the event and when it anticipates it will be resolved.
- (b) Vantage shall as be excused from its performance obligations under this Agreement for as long as the event continues, including any period thereafter in which Vantage attempts to rectify the effects of the event in question.

Vantage may also have to suspend any terms of this Agreement, including those terms on the Site, for as long as is required to deal with the impact of the Force Majeure Event.
- (e) Vantage shall not be liable to you for any Losses you suffer due to the occurrence of the Force Majeure Event and during any associated period from the moment of its occurrence.

25. Market Abuse

- (1) We hedge our liability to you by opening analogous positions with other institutions or in the Underlying Market. The result of our doing this is that when you open or close a Transaction relating to a share or other Instrument with us, your Transactions can, through our hedging, exert a distorting influence on the Underlying Market for that Instrument, in addition to the impact that it may have on our own prices. This creates a risk of market abuse and the function of this clause is to prevent such abuse.
- (2) You represent and warrant to us now, and agree that each such representation and warranty is deemed repeated each time you open or close a Transaction, that:
 - (a) you will not open and have not opened a Transaction or Transactions with us relating to a particular share price if to do so would result in you, or others with whom you are acting in concert together, having an exposure to the share price that is equal to or exceeds the amount of a declarable interest in the relevant company. For this purpose the level of a declarable interest will be the prevailing level at the material time, set by law or by the stock exchange(s) on which the underlying share is listed;
 - (b) you will not open and have not opened a Transaction with us in connection with:
 - (i) a placing, issue, distribution or other analogous event; or
 - (ii) an offer, take-over, merger or other analogous event, in which you are involved or otherwise interested; and
 - (c) you will not open and have not opened a Transaction that contravenes any primary or secondary legislation or other law against insider dealing or market manipulation. For the purposes of this clause you agree that we may proceed on the basis that when you open or close a Transaction with us on a share price, you may be treated as dealing in securities within the meaning of Part V of the Criminal Justice Act 1993.
- (3) In the event that (a) you open any Transaction in breach of the representations and warranties given in clause 25(2) above, or (b) we have reasonable grounds for suspecting that you have done so, we may, at our absolute discretion and without being under any obligation to inform you of our reason for doing so, close that Transaction and any other Transactions that you may have open at the time and also, at our absolute discretion:
 - (a) enforce the Transaction or Transactions against you if it is a Transaction or Transactions under which you have incurred a loss; or
 - (b) treat all your Transactions closed under this clause as void if they are Transactions under which you have secured a profit, unless and until you produce conclusive evidence that you have not, in fact, committed the breach of warranty and/or misrepresentation the suspicion of which was the ground for closing your Transaction(s). For the avoidance of doubt, if you do not produce such evidence within the period of six months from the date on which such Transaction was opened, all such Transactions will be finally null and void as between you and us.
- (4) You acknowledge that the Transactions in which you deal with us are speculative instruments and you agree that you will not open any Transactions with us in connection with any corporate finance style activity.
- (5) You acknowledge that it would be improper for you to deal in the Underlying Market if the sole purpose of such a transaction was to impact on our Bid or Ask Prices, and you agree not to conduct any such transactions.

26. Waiver of Rights

No failure or delay in exercising any right or power in connection with this Agreement shall constitute or operate as a waiver thereof, and neither shall any partial exercise of any right or power under this Agreement prevent any additional exercise of such right or power, as the case may be.

- (h) If any clause (or any part of any clause) is held by a court of competent jurisdiction to be unenforceable for any reason then such clause will, to that extent, be deemed severable and not form part of this Agreement, but the enforceability of the remainder of this Agreement will not be affected.

- (i) You will be responsible at all times for the payment of all taxes due and for providing any relevant tax authority with any information relating to your dealings with us. You agree that if we provide you with any information or express any opinion in relation to the tax treatment of your dealings with us it will not be reasonable for you to rely upon any such statement and it will not constitute tax advice.

You will not object to the admission of our records as evidence in any legal or regulatory proceedings because such records are not originals, are not in writing or are documents produced by a computer. You will not rely on us to comply with your record keeping obligations, although records may be made available to you on request at our absolute discretion.

APPENDIX 2

INTRODUCED CLIENTS AND INTRODUCER AGREEMENTS

An introduced client has the right to ask for the calculation of how any remuneration in respect of their introduction is paid from Vantage's income. Please forward any questions about the calculation in the first instance to compliance@vantageprime.co.uk.

Vantage has 2 levels of introducer agreement.

- 1) **Introduction as an incidental** ("refer a friend"). This is where a pure introduction is made and the introducer takes no further part in the relationship.
 - a. This type of arrangement will have a total limitation of \$100 per month or \$1200 per 12 month period maximum payment that can be made to the introducer.
 - b. An introduced client will cease to be part of the calculation after 2 years have elapsed.
 - c. The remuneration is based on a percentage of the remuneration that Vantage receives in respect of clients that are introduced, but negotiated between the introducer and Vantage.
 - d. This arrangement cannot exceed these criteria and any excess under this arrangement will be retained by Vantage.
- 2) **Introduction by way of a business**. This is where an introducer takes an active part in the continuing of the relationship between Vantage and the introduced client, in line with FCA regulation COBS 2.3. What part the introducer plays needs to be satisfactorily documented by Vantage in order to enter into this type of agreement with the introducer. The introducer's rights to a capped share of Vantage's earnings in respect of that introduced client of Vantage will continue while the agreed introducer's services to that client continue.
 - a. This type of arrangement will have no limitation on the amount that can be earned.
 - b. This type of arrangement may have a limitation on the period as to when a client will form part of the calculation, except for when the introducer ceases to have that arrangement with the introduced client.
 - c. The remuneration is based on a percentage of the remuneration that Vantage receives in respect of clients that are introduced, but negotiated between the introducer and Vantage.
 - d. This arrangement can only continue while the agreed services are being provided and the requirements in COBS 2.3 are being met.

If you are interested in entering into either arrangement, then please contact us on compliance@vantageprime.co.uk for further information. A written agreement will need to be in place before the arrangement can proceed. To be an introducer we will carry out the same money laundering and Know Your Client checks as we do for normal clients.
